## Authors Profile

**Sanjay Singh** is currently pursuing PhD under UGC-JRF in the Department of Computer Science and Engineering, CDLU, Sirsa. He likes to research software engineering, web development and intelligent tutoring systems.

**Prof. Vikram Singh** is currently working as a Professor in the Department of Computer Science & Engineering, Chaudhary Devi Lal University, Sirsa, Haryana, INDIA. His research interests include Cyber Security, Network Security, Wireless Sensor Networks, Artificial Intelligence, Surveillance and Privacy, and Big Data Analytics.
