Authors Profile

Bramesh S.M. is currently doing Ph.D. under the supervision of Prof. Anil Kumar K.M. in part-time, in the research center SJCE, Mysuru under the Visvesvaraya Technological University, Belagavi. He is working as an Assistant Professor, in the Department of Information Science & Engineering, P. E. S. College of Engineering, Mandya, Karnataka, India. He has teaching experience of 14 years and research experience of 5 years. His research interest includes Text mining, and Data mining. He has published nearly 8 Research papers in National and International proceedings.

Dr. Anil Kumar K.M. is currently working as an Associate Professor, in the Department of Computer Science & Engineering, JSS Science and Technology University, Mysuru, Karnataka, India. He did his postdoc at Deakin University under Professor Jemal Abawajy and Ph.D. from the University of Mysore under the supervision of Prof. Suresha, Chairman, DOS in Computer Science. He has teaching experience of 23 years and research experience of 16 years. His research interest includes Text mining, Sentiment Analysis, Data mining, Opinion mining, Web Mining, Data Analytics, Computer Networks, and Cyber Security. He has received 5 grants from different Government and Private funding agencies for Research & Development. He has Published nearly 50 Research papers in National and International proceedings.
