Biography

Mrs. P. Kalaiselvi Research Scholar, Department of Computer Science and Engineering, Saveetha School of Engineering, Chennai. She received his M.Tech degree in Computer Science and Engineering from Bharath University, Chennai, in 2013. She received a B.E. degree in Computer Science and Engineering from a college Affiliated with Anna University, Chennai, in 2010. Her current research interests are in the areas of Artificial Intelligence, Machine learning, Deep Learning, and Medical Image Processing.

Dr. S.Anusuya , Professor, Department of Information Technology , working in Saveetha School of Engineering, She received her Doctor of Philosophy in the year 2015 from Manonmaniam Sundaranar University and has completed her post-graduation Master of Technology in the discipline of Computer and Information Technology with the distinction in the year 2005 from the same University. She is working as a Professor in the Department of Computer Science and Engineering, Saveetha School of Engineering, Saveetha University, Chennai. She has published more than twenty research papers in Scopus indexed, SCI indexed and good impact factor Journals. She has received Paper of Excellence award in the conference, 2nd International Conference on Signals, Systems and Automation (ICSSA-2011) in the year 2011. She has authored for book chapters published by IGI Global Publications. Her research interests include Data Mining, Data Science, Machine Learning, Medical Image Processing and Artificial Intelligence.
