Authors Profile

May Me Me Hlaing received the M.C.Sc. degree from the University of Computer Studies, Yangon, Myanmar in 2010. She is currently working as a Lecturer in the University of Computer Studies, Panglong, Myanmar. Her other research interests are Natural Language Processing, Machine Learning and Deep Learning. She can be contacted at email: maymimihlaing88@ucsy.edu.mm.

Dr. Win Lelt Lelt Phyu got Ph.D (IT) in 2006. Currently, she is working as a professor of the Artificial Intelligence Lab at the University of Computer Studies, Yangon, Myanmar. She has been supervising Master's thesis and Ph.D. research on Machine learning and artificial intelligence. She can be contacted at email: wllphyu@ucsy.edu.mm.
