Authors Profile

A Me Tun,

Education: Ph.D(Thesis), University of Computer Studies, Yangon

Current Position: I am also a government staff working as an assistant director in the Monitoring and Evaluation Department of the Ministry of Science and Technology.I am also interested in Deep learning and IoT.

Si Si Mar Win

Ph.D (IT), University of Computer Studies, Yangon

Current Position: I am a professor at University of Computer Studies, Yangon.

I currently work in the Cloud Computing Lab and supervise doctoral students. I am interested in anything related to Computer Science.
